Shown sculpture in Signature Resin, Royal Blue, 20 cm

## + SPECIAL REQUESTS

Because all of our colleagues involved in post-processing have an artistic background, we are able to offer a wide range of additional options and customisations from our atelier.

There is much more possible beyond the standard finishes, depending on your wishes and the character of the sculpture.

### BASIC RESIN

The most affordable option for having your sculpture printed. In this case the price is no indication on the final quality

### RESIN DELUXE

A refined finish of matte acrylic or a wax coating applied. A detailed sculpture preserving every form.

### RESIN SIGNATURE

Resin signature studio sculptures finished with layered lacquer for a deeper, durable surface.
